BookHive Focus Group Services Corp. tests finished manuscripts (Fiction, Young Adult & Memoir) with actual Test Readers before they are published or self-published.

We are looking to recruit Men & Women, ages 25-65, specifically for an upcoming Memoir about Alaska. Once you sign up to be a Test Reader, we email you the book, where you read it, and then fill out an online survey telling us what you thought about it.

We offer a \$10 Barnes & Noble Gift Certificate per book project and other secret perks!

To sign up to become a Test Reader for BookHive, go to our website:

Hope you join the fun!
