I have 2 55 gallon fish tanks up for sale. Both have fish and are currwntly running. One with two baby clown knifes and a channel cat fish. The other with a leaf fish a full grown tiger oscar and a sleeping water goby. The goby is one of the most awsome fish. All fish are not your run of the mill fish. Tanks have filters bublers nets buckets and cleaning supplys. Im getting rid of because we will be moving soon and cant take the tanks with. I need them gone so they are priced to sell. Im asking 200 per tank. Nothing wrong with them just need to sell em. Call or text
