If you're a scammer don't waste your time. I will ask you specific questions about the items that I've posted that only someone in possession of them would know. People of Denver I'm asking for your help. On September 26, 2014 I was in Denver for my son's wedding and 2 suitcases and a daypack were stolen from my rental van. The van was parked on the 1400 block of Grape Street off Colfax. I made a report with the Denver police and posted signs and nothing turned up. The police and many local people said, "Don't judge Denver by this incident", so I'm asking for your help. There were many decorations and personal items in my luggage which are very distinct and identifiable. Please check out the photos. There was 1 large red roller suitcase and 1 small black roller carry on. The daypack was gray with black trim from REI. In the photos there is a picture of a couch with crates on it these were in the suitcases, plus photos of framed decorations. These are exact photos. There was also a glass cake plate. In the daypack were some very personal items. There was a green zippered book cover with a Big Book of Alcoholics Anonymous, the 12 Steps and 12 Traditions book, a 24 Hour a Day meditation book, and a As Bill Sees It book. Also in the zippered side of the book cover was a handkerchief given to me by my daughter at her wedding the year before with an embroidered sentiment on it and photos from a photo booth at her wedding. These items are priceless to me. Also in the daypack was a set of keys with a small P-38 military folding can opener, a Toyota key and other keys and a key chain with the inscription " ONE YEAR EHA 4 A WEEK" on one side, and "Easy Does It" on the other side. This key chain was given to me 27 years ago after a year of recovery and is invaluable to me. Also in the daypack was an Ipod in a red Otterbox case, a rosary, and my work ID. There was also my business card attached to the daypack as a bag tag. Any help would be appreciated. If you have seen any of these items or know of their

whereabouts please leave a message or use the reply to this posting. You can do it anonymously. The more people the more chance of locating them. I will be posting updates along with photos of the stolen items. Thank you and please forward this to anyone you know in.
