Good Evening !

My name is Kira. I'm currently making a switch from nannying to cleaning/ organizing residential homes. I have served as a nanny for 11 years, house cleaner for 5 years and also as a professional organizer for 5 years. I am a very outgoing, reliable, trustworthy and punctual person. I take great pride in my work and will make sure to leave your house spotless after every visit! Outside of work I enjoy spending time with family, hiking, camping and scrap booking.

I have a reliable vehicle with current insurance. I believe in cleaning with all green products especially with children living in the household. I can provide my own supplies or use the supplies at your home. I am comfortable with pets.

Here is a list of services I provide. I am also willing to follow any list of things you would like done at any visit.

- * deep cleaning (wash down baseboards, clean refrigerator/oven, window cleaning,etc.)

- * sort children's clothing such as by seasons or taking out clothing that is to small
- * organizing (pantry, playroom, closets, etc) at additional cost
