help with Itunes amp Icloud (Phenix City,Al)

Location   **Alabama**
https://www.genclassifieds.com/x-378968-z

I need expert in itunes to help get itunes library strait . It wont open on my computer but still have all the files. I think my advance system care 8 messed a file up or something. I don't need amateur, need somebody that knows what their doing.Call if you would like job. I live close to Home Depot in Phenix City.
Must be.
