

# Painter for hire (or odd jobs) (Newark and Cecil County)

Location **Delaware**  
<https://www.genclassifieds.com/x-378991-z>

Hi- I am a part time painting specialist looking for some side jobs.

I would provide the tools and labor (patching if needed). You would just have to provide the paint.

Let me know what your budget is and we will see if we can agree on the price. I am all about a win-win situation with all parties involved.

I would be available to paint or do odd jobs on weekends.

203 five-eight-1 one
