Hey there, Jeff here - owner of Rental Friends apartment location service.

I work with LOTS of apartment communities downtown - - I am working with a nice/upscale community in the Golden Triangle area of downtown that has some really great deals going on.

*1361 sq foot 2 bed 2 bath
 W/D in the unit
 Garage parking included in the price (1 space per leaseholder)
 nice workout facility
 pool
 business center
 coffee area
 all of the amenities you would expect...(in a luxury community)

Give a ring if you'd like to set up a showing - - or if you want info on any other apartments/lofts downtown.

My service is TOTALLY FREE to you, I get a referral fee from the communities and private owners I work with and there is no fee past through to you at all.

I have LOTS of downtown apartments and lofts - and have personally helped folks for the past 9 years!
 Just do a search to find them.

I can find the ones that are available in Denver city center quickly - this service is available at the time of publishing this ad.
