Want to make some cash before summer break?

Need/want to make a fundraiser for your student organization?

Make up to \$5000 in just 10 days! you can do that by signing up and hosting one of our risk free/all included, textbooks buyback, set up in campus and just buy books, we'll provide the materials and funds for you to get going, nothing out of pocket. Last spring at Tulane students made a buyback of over \$20,000 by just making appointments at different fraternity and sorority houses on campus. If this sounds like something you would be interested in contact me for details and we can set up a meeting to.
