I will be shooting for a student short film in the action genre on Monday and Tuesday of this week (April 20th and 21st) at Devils den state park. I am looking for a few people to be armed guards I would prefer you to be in good athletic shape. I also need a villain and some general crew to help out you don't need to have a lot of experience and ideas will be welcome while on set (though not necessarily listened to) if you are interested send me a picture of yourself so I can see if you will fit the part or if you just want to help out let me know I need some handy people good with tools (should we need them) this is a student short film with a micro budget so I can't pay anyone but you will get a credit in the film and the opportunity to make something
