I have a 2005 bayliner 175 in like new condition. It looks nice. Does not have hour meter on it but previous owners said they put very little hours on it and I put maybe 15 hours. I just put in a brand new pioneer radio with USB, aux and Bluetooth. I needed a boat to go on a trip so I bought it and now I no longer need it. Asking 9,500 must see to appreciate. Cruises at 36 mph tops at 47. Always garage kept by previous owner and me. 84ltwentyfiveo7. Serious buyers only and no low.
