I have an iphone 4s 16gig for sale. It works great in great condition minus a few little scuff marks on the back for being in pockets and such I also have a portable charger that connects to the back of the phone kinda looks like it could be a white back piece for the phone for an extra \$20 if you want to go with it. It doesnt have the charger but I do have the usb that you can plug into a charger port. Please text me for.
