Our dog has been missing since 4/12/15. She is a dear part of our family and we want her back safe and soon. Any sighting or info would be greatly appreciated. She went missing near Freeman, MO but her permanent home is in midtown Kansas City, so she may be headed that way.

Possible reward for safe return.

6 Year old, black and white, pointer/hound mix. Spayed female. She is microchipped & was wearing a red collar with current tags when last.
