Welcome to Lambs of God of Day School Welcome to a preliminary introduction of a new private in-home Christian daycare that will only have a maximum friend group of five children. Every child will get one on one attention each day doing age appropriate mind-building and physical activities as well as build social skills with other children. Children are located in a smoke and pet free environment that combines fun with education. Arts and crafts, reading, and dancing will be encouraged. A daily sheet will be given to every parent at the end of the day. If a photography permission slipped is signed, I will email a "What I did this Week Picture". So you can see your child's gradual growth while doing various activities The daycare hours will be Monday -Friday 8:30am to 6:30 pm. Infants (3 months -11 months) will be \$175 this figure is based on an 40 hour week. Toddlers will be \$150 and this is also based on an 40 hour week. You have the option of paying weekly or biweekly. All payments must be paid before childcare is given. Parents please tell me your needs. I will be as flexible as I can with you.

I possess a range of child care skills and knowledge that matches many Child Care position requirements including:

- Highly skilled in supervising and monitoring the safety of children
- Hands-on experience in preparing meals and organizing mealtimes and snacks for children
- Demonstrated ability to help children keep good hygiene
- Able to change the diapers of infants and toddlers
- Track record of arranging activities so that children can learn regarding the world and explore interests
- Able to keep records of children's progress, routines, and create lesson plans.
