

New Home Needed for Lab (kansas city mo)

Location **Kansas**

My boyfriend and I are moving back to Tulsa, OK and are not able to bring along our darling pup, Nala. She is a lovable, two-year old lab mix that we love dearly, but know that we cannot keep. Looking for a home with a decent sized back yard and/or park nearby as she loves to get out and run. If you are interested, please contact me, Annie Calvert, at
