Hi, my name is Morgan! I am currently located in Shawnee and will be graduating in May from Mill Valley High School. I have 4 years of past experience as a babysitter and nanny during which I cared for children from infants to 12 years old. Needless to say, I have a good amount of experience and strong references as well! I also have my own car and a clean driving record so driving your kids to appointments, practices and running any errands you may need me to would be no problem at all. I am also CPR certified.

I am a very active person and love playing with the kids and taking walks or trips to the park.

Currently I am only available after 2pm, but starting May 14th I will be available all day, every day!

I hope to hear from you soon and I would love to answer any questions you may!
