Donkey Kong Tropical Freeze Wii U (40 USD)

Location **Massachusetts** https://www.genclassifieds.com/x-379323-z

I received a digital download code for Tropical Freeze that I am trying to sell. I already have the game and love it, but no use for the download code. The digital download goes for \$49 online in Nintendo eshop. Asking \$40 or best offer. Willing to wait with you to make sure download works properly.
