The front of this activity ride-on features beautiful Disney Princess dolls. The vehicle is covered in pink hearts, and the side has a large Disney Princess image that your little one will love. The buttons on the dashboard activate exciting sounds, music and colorful lights. Your little princess can listen to sweet songs and delightful melodies as the Princess figures turn and rotate to the music. Your little girl can turn the ignition key and shift gears to hear the engine rev. Watch her push the horn for a surprising beep. The tethered magic wand makes magical sounds for even more fun. Your little princess will have hours of imaginative play with this wand.
