

Sea Ray 300 Weekender (14000 USD)

Location **Massachusetts**
<https://www.genclassifieds.com/x-379327-z>

This boat belonged to my grandfather who was a certified Merc mechanic. We are selling the boat because it is to big for anyone in the family to manage. We are coming up on the start of the boat sale season with the boston boat show. Dont wait as this boat will be going to a broker in a couple of weeks if I cant sell it (Price will go up to accommodate his fee)

1988 Sea Ray 300
30 feet long
two new 350 merc engines less that 50 hrs on both
1 new alpha gen 2 drives
1 rebuilt lower alpha gen 2 drives
sleeps 6
new holding tank, head, and all hoses
new upholstery
new canvas camper top
comes with everything (anchor, life jackets, line....)
He installed GPS and Radar I will double check but believe it is RayMarine

Too much to list, call for any questions (I do work the overnight so If it goes to voicemail please be patient I will call around dinner time when I wake up)

we are willing to negotiate but we know we have one of the best sea rays with the most in extras

we are a merc mechanic with captain and skip John's assistance at the time of sale for a sea ray that will be extra \$2500
