I'm looking for those that are serious about their craft. I'm currently working along side Keep 6 Records, which is marketed and distributed through Universal Music Group LLC. To find serious recording artist, that are able to sing and rap. I will NOT work with artist that are not serious and consider this offer as a hobby. If your a singer but you don't really rap but your willing to rap (ghost writer/artist development), then I CAN work with you.

The qualifications are entailed below this text. Once again serious inquiries only and call in to apply. Thank you for your time and be blessed.

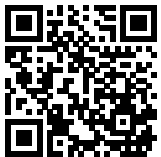

## Qualification

- \* Professional & Good personality
- \* BOTH: Rap & Sing, (MC'S AND ACTUAL VOCALIST)
- \* Athletic, Good Shape, or Thick (not round, overly curvy, or Michelin man built)
- \* Demo: YouTube, Sound Cloud, i-Tunes, Facebook, ect.
- \* Promotable
