Hi my mom has a small mom and pop dry cleaners in South Pasadena. She is looking for part-time help to assist her 2.5 hours a day for 3-4 days per week. Tasks are simple but boring. Tasks require an ORGANIZED and competent person as mistakes are easy to make. Tasks include: Tagging (pinning pieces of paper to cloth), bagging (wrapping cloth in protective plastic), distributing cloth to hangers, and helping customers once in a while by carrying their cloth to their car (for large orders). Again, although the tasks are simple, they require someone who is competent and careful. Ideal candidate is a dependable, organized, competent student looking for a little part-time work. Pay is \$10/hour.

Let me know if you are interested. Please include a short note about.
