Our company has recently been releasing our newest line of iOS & Android Apps and our looking for multiple testers. We are looking for people who are experienced using multiple different Apps, because we need a well-written review. In the review we will require you to be honest and tell us how you think we can improve the App. Before our company can just give you the job right away, we will require you to do a test review (100 Words.) The actual review of the app will require 300-400 words. If you have any others questions please feel free to contact us. This process is extremely easy, and if you do a good enough job we will contact you with plenty of other jobs. Thank you for your!
