I am a male producer with a clips4sale store (clips4sale.com/87873). I'd like to find females with their own stores (or interested in creating one) to do content exchanges. I'll help you create vids for your store (film, edit, and/or appear in it) in exchange for you being in clips for my store. If you think you might be interested drop me a line with either a link to your store or a picture of yourself and when you would be available to start shooting.!
