I'm an attractive male model in my late 20s looking for an attractive girl to team up with on adult videos we'd make ourselves and sell. This is totally legit, we will make a couple thousand bucks to split and it can be ongoing work, we can keep our faces totally hidden too! I'm tested and clean, a normal respectful guy, and i'm ideally looking for one cool girl to team up on this like a business partnership. Let me know if you might be interested, i'm free to exchange photos and talk to explain everything. 18+ only, all submissions are 100% confidential,.
