Gorgeous New Zealand brown wool flokati rug 8 x 11 (145 USD)

Location **California** https://www.genclassifieds.com/x-379501-z

Beautiful wool Flokati rug from New Zealand. Bought in 2008. I'm moving and won't be taking this with me. Rug's in great shape. Most of the rug has been under a bed and has not been walked on, and I rarely walk on the rest of it in shoes. Rug original list price was \$400.

8 feet by 11 feet

\$145 or best offer.
