

Hauling some Picnic Tables to York, PA from South Delaware (Laurel Delaware)

Location **Delaware**
<https://www.genclassifieds.com/x-379521-z>

Hi there.

I have NINE 6' Picnic Tables, and a few pieces that when put together make an Octagon Table. I need them to be delivered from my workplace in Laurel Delaware to York Pennsylvania.

If you have a pickup truck and at least a 12' trailer, this job might be for you. Load them, tie them down, and make a few hundred bucks in 3.
