

# New Online Ordering Website for Takeout and Delivery (Delaware)

Location **Delaware**  
<https://www.genclassifieds.com/x-379633-z>

New Online Ordering website Launch

We are an online ordering website that allows customers to select their favorite restaurants and place their orders (takeout and delivery) through our website or mobile devices from their favorite Delaware restaurants for free. We give customers a one stop shop and convenient way to order food and make reservations.
