Aloha

I am a surfing photographer/videographer available to provide you with professional photo and video services of you doing what you love to do. Whether you're a local or visitor, an amateur or pro, I will capture those amazing moments for you to keep and to share with family and friends forever. I have many samples of my work for you to see and 100% satisfaction is guaranteed. Professional services at reasonable rates. I am always forecasting the next swell and can set up the days and times when the waves will be best for your needs. New facebook profile pic? Wall mural, surf video, or shots of the kids, surfing, paddle surf, your imagination is welcome.
