I'm going to provide all the screenshots... You just have to arrange them like in the screenshots above and add arrows and a "cool" attention grabbing font.

I need 12-15 of these done.

I work at Canvs office in downtown orlando
101 S Garland Ave #108
Orlando, FL 32801

We can work at my office or at the downtown library, I want to be there while you create the screenshots so I can provide instant feedback.

I have several more jobs like this... So if you got skills and can work quick, then we can make this a long term work-relationship if you wish.

Send me an email a.s.a.p at ... if you like to start working on this job tomorrow, or sometime this week.
