Open to men, women and kids of ALL ages. Great for fun and exercise. Even if you are a beginner or new to the sport, there are players that take the time to teach the game to anyone who wants to learn.

Some of our members check in to our site and watch our live game. We also handles the weekly borrow a paddle program. We have a dozen tables to play on. It's a great way to have some fun and get some exercise at the same time. What do you have to lose?

Ask for KAREN FUJIYAMA when you get to the Boys & Girls Club and she will get you started and answer any questions you may have.
