And so predictable, anything other than idiotic feel good rants from a brain dead 2 time Obama voter would be totally out of character. 2015 liberalism is about berating others, making yourself superior even if the "facts" you use are distorted numbers released so the low IQ Obama voters can attack from a perceived position of strength and morality.

You fall for the same tactics time after time but never realize you're being played for a fool, you truly are so stupid you don't even know you're stupid. You and your ilk are why this country is failing. You deserve, but you shouldn't have to work for what you deserve. You're too lazy to type a few words in a search box, preferring instead to cement your title as fool with a maniacal rant about someone you never met.

Here it is, the best you have to offer the world. You were lied to then you make a total ass of yourself insulting the person who tells you those are lies. Your momma must be so proud:

Idiot REPUBLICANT says: " How many of the 66 were Americans? "

So, you think AMERICAN LIVES are the only ones that count? IS THAT WHAT YOU'RE SAYING, ASSHOLE?

What a piece of shit you are. Sixty people die and you think that's OK. They weren't Americans! Who gives a rat's ass about anyone that isn't one of "US"!

UNBELIEVABLE. JUST FUCKING UNBELIEVABLE. No conscience whatsoever. They weren't AMERICANS!

No douchebag. They were PEOPLE. Just not the ones you like.

The number includes the people who strap high explosives mixed with nails and ball bearings to their bodies and detonate it in a crowd in front of an embassy. They

The dead includes the attackers dumb ass I gave you the opportunity to learn, you respond with hate and ignorance. You're feed distorted "facts", numbers purposely inflated to make anything that happens under Republicans worse than what happens under Democrats because Democrats never do bad and Republicans never do

YOU ARE THE PROBLEM WITH AMERICA. You are the poster child for the 2015 Democrat Party, the same hateful bigots the nation dealt with 50 years ago as we tried to move past segregation and separate but equal. You are the ignorant spawn of the violent radicals who robbed, bombed, and declared war on America, and have a direct link to Obama. You are the entitled who we must drag kicking and screaming through life because nothing is your fault and being American means you're owed a lifestyle.

The core of the Democrat Party hasn't changed, the low IQ and gullible. The rest of the world has moved on, you revel in your hate and ignorance because it requires no effort on your part, only the shrill shrieking of a 2 time Obama supporter repeating the distorted "facts" which make them feel good at the end of the day.
