Hi I have 4 adorable fluffy tiny kittens who will be ready for loving homes on the 24th of April. They are 7 weeks and 1 day old today, but want to wait until they are 8 weeks to ensure proper growth and health for you.

They are going to be long haired and are black and white.
NOT 100 % on the sex and not going to lie and say I know...

Will not be vet checked and will not have shots.

They are clean, and friendly.

\$50.00 Each firm to help ensure a decent home.

Will post pics here soon.
