Band needs a roadie for this Saturday night. Meet in Omaha, you'll ride to Lincoln with me, unload and set up a band for a club gig, stay through the show, pack up and ride back to Omaha. Approx 5:30pm leaving Omaha, return around 2:45am. Cash paid (negotiable).

Please be reliable, able to lift a reasonable amount of weight, and friendly. Possible gigs in the future as a fill-in for regular road crew if you're the right fit.
