Do you ever lie awake at night rehashing many different aspects of your day? Do you ever find that you can't let go of something someone said to you, but the more you think about it the worse you feel? When you feel a strong emotion, such as happiness, sadness, or anxiety, do you find yourself dwelling on how and why you feel that way?

If you answered "yes" to any of these questions, you may qualify for a research study being conducted in the Department of Psychology at the University of Miami. To find out if you qualify, please visit https://umiami.qualtrics.com/SE/?SID=SV_2lbVmAMMOYvTffv.

If you have any questions, please call the PASO Lab at or email us at . Please refer to the "Wonderland Study" in your email.
