We do a LOT of weddings.. But we also are in demand for corporate events and private parties. Are you planning a small family gathering celebration? We love them! Regardless of your event, we'll make it come alive with the right kind of entertainment!

What else should I know about you?

You receive a free, in-person consultation. Brides in particular love this. You end up with a step-by-step itinerary of your wedding reception from start to finish, exactly as you envision it. In our hands, you can actually relax and enjoy your celebration. We have everything covered with this written plan.

How big is your Song & Video library?

Huge (Over ONE Million songs, 100,000 Video's). More music than you'll ever need, even if you live to be a hundred!

Do you take requests?

Yes (Personalized Request Cards on your Guest Tables), if you want us to, and if they're suitable for your affair.

Is your equipment any good?

Yes. Here is the key info you need to know: Sound is clear and beautiful. Volume is controlled. Many weddings have been ruined by brides who had a friend provide music off their iPod. Their equipment and "DJ" just weren't up to the task. Ours is. And our DJs are more than DJs. They are MCs and party coordinators.

Are you expensive?

The better question is, are we affordable? Absolutely. We offer FLAT RATE pricing. Our package is most likely well within your budget. Call now for details: Remember, though, no price is a good price if you don't like the quality of the service. You will love ours!

Do you Give Any Discount?

Yes. \$100 off Price for our Military & Union Members, 25% off for Schools, \$50.00 off Friday Bookings & \$100 off Sunday-Thursdays Bookings.
