

Looking for someone to build a basic wood shed (Madisonville)

Location **Kentucky**
<https://www.genclassifieds.com/x-380099-z>

I am looking for someone to build a pretty basic wood shed in Madisonville. Something like the shed pictured roughly 6x8 feet would be ideal. Please send me how much you will charge to build it (including materials), as well as pictures of your previous work, if possible.!
