Hello everyone! My name is Shelby and I am looking to nanny for a family! I have 2 children of my own my daughter is 2.5 and my son is 6 months so I would prefer someone with just 1 child between the ages 6 months to 4.5-5 years old! I would like to do it at my home but I do not mind traveling if you would like it to be at your home. My children would have to come with me as well. I obviously do have a vehicle so I would be more than willing to do some errands, take the kids to parks, zoos, museums etc so we can all have some fun while its nice out this summer(: My daughter loves other kids so shes also looking for a new friend! I would like it to be during the week anytime between 6am and 6pm.

If you would not mind it being at my house outside we have a very big back yard, sand box, lots of outdoor toys. Inside I have all sorts of kids toys for children starting at 3 months like a bouncer, play mat with hanging toys, rattles and way more. My daughter plays with all sorts of toys so we have a lot of stuff for kids to do! We have lots of books, activity books, puzzles and coloring books! We also love to do arts and crafts so your child would be showing you lots of pictures and such(: We love to play outside and go to parks so on the nice days we will be spending our days outdoors!!
If you are willing to have your child come to my home we are a smoke free home, we have a female golden retriever but shes overly friendly and absolutely loves kids!

Feel free to send me an email with any questions I will get back to you as soon as I can!! Please leave me your full name. Please let me know any and all requirements that you may have and tell me a little about you, your family and what your looking for!!
