I am a 47 y/o bass player that has just recently moved here to Minneapolis. I am looking to join or form a "bar band" or an more original Symphonic Metal type band. Along the lines of Nightwish, Delain, Amaranthe etc... The bar band should be a straight up rock cover band. I have many years of experience and stable job and home life. I am not trying to be a rock star anymore, I just enjoy playing and am looking for the same from my band mates. Take the music seriously, but not yourself. Music should be fun and not a job. Please text me if interested. No phone calls please due to the fact that I work during the day and am already fielding a lot of calls for.
