Next Infant position February 2016

Are you looking for that perfect group setting or small daycare for your little one? If so, you have found it! My home is a place where the children can play, explore and learn as well as build life long friendships. I provide a clean, safe and friendly environment for your child to grow in along with a smoke free home at all times.

As a loving parent of 4, I hope to build your trust by being professional, dependable, honest and most importantly caring for your child the same way we would want our own children to be cared for.

I am a licensed daycare provider in Dakota County. I am up to date on my classes that are required by the State of Minnesota. We do many Crafts, Counting, ABC's, Colors, Shapes, Etc. We enjoy outside time (weather permitting) in the fenced in area all year round. I am enrolled in the Child Care Alliance Food

Program through the state. I serve 3 meals a day. We have a small group that lets us enjoy a lot of outdoor time and we do much the same on and off the week. I offer a special program on Thursdays, September through May, as well as a "Grow Up" program on Monday's. My home has a large inflatable play area called "Grow Up" (LLC) and is open to my children and the children of the residents. I am also a member of the Dakota County Child Care Association.

Please call or interested to join my daycare or if you have any questions. My hours are 7:00 to 5:00 Monday through Friday.

I am in the Rahn Elementary School attendance, District 101.
