I recently got transferred to Longs Drugs in Waimea and am looking for a place to live starting May 15th. I work full-time and am looking to rent a room in a house or possibly a studio apartment. I'm an easy-going, clean, organized, communicative, and kind individual who is easy to get along with and I'm very excited to start my new life on the big island! I would appreciate any feedback. I prefer to live with other females (I'm a middle-aged female). If you have any questions please!
