Conveniently located between Lahaina & Kaanapali, this is the quiet, romantic alternative for a Maui vacation. 2 1/2 blocks from the ocean, tucked away in the foothills of the West Maui mountains, Wai Ola offers serenity & privacy not found at the "name brand" hotels or condominiums. Perfect for sunsets & whale watching. There's a reason half of our guests are on their honeymoon or celebrating an anniversary at their own "mini resort" on!
