

# Daytime outdoor companion (Honolulu)

Location

**Hawaii**<https://www.genclassifieds.com/x-380189-z>

I am a retired business owner. I am looking for a young woman to accompany me a couple of days per week, 4or 5 hrs./day on bike rides, hikes and other daytime outdoor activities. Must like to ride bikes as that is my main way to explore the island. Perfect for a student as my time is very.
