I'm running the Chicago Lakefront 50k Ultramarathon to raise enough money to fund 50 cataract surgeries for people living in the rural third world through the Himalayan Cataract Project. One surgery is approximately $25, but any donation is welcome. Please reply if you would like to join the team or donate, I will send you the link the the crowdrise website. The project has been featured on ABC News and is given the highest rating by the leading independent charity evaluation service, Charity Navigator. Thanks for helping to give someone their life back!

The image is of the co-founder of the charity, Dr. Tabin, and one of the recipients after the.
