This cat lives in a house with 3 kids, 2 other cats, fish and a dog.
 He is super snugly, and kind.
 I may have a litter box and food if needed. Please ask immediately so i can look into it.

He goes by Southie. He's unbelievably affectionate. When you wake up he's quick to get the day going with a snuggle. He will follow you until you stop moving to attain more snuggles. You can find him right behind you, purring or literally under a pile of blankets
