

3 Month puppy for sale

Location **Mississippi**
<https://www.genclassifieds.com/x-380283-z>

I had posted a for sale about a month ago however I became too attached and could not sell her. However it is impossible for me to give this lovable puppy the divided attention it deserves. I purchased her for 200 however I am selling her for \$175 with a kennel,toys, and leash. She has not had her 3 month shots.
