

Chrome Scale Imbedded Footprints 30 (30 USD)

Location **Missouri**
<https://www.genclassifieds.com/x-380312-z>

Chrome Scale * Imbedded Footprints. This scale has a mirror like chrome finish. So it reflects what ever is in the ceiling above it, That's why I have 4 photos in the first picture. Another unusual feature of the scale is that it has the impression of a pair of feet in it... CUTE!! Anyway, it's unusual.
