21 Mickey Mouse Mice Stuff... First up is a Walt Disney Mickey Mouse Hawaiian Shirt Large Size. Second third and fourth are Mickey Mouse Mice. The one on the left sings, dances and tells jokes. What more could you want from a mouse? The middle mouse is a telephone and it works. The one on the right just stands there. Their heights are: left to right 13", 15" and 7 1/2". Then we have a Mickey Mouse Alarm Clock and It works too. Just like the phone. Next is a Mickey Mouse Tie and lastly I have just added 2 Minnie Mice to the listing. The 2 Minnies don't do anything except sit there. Okay. I just added another Mickey... a BIG coffee cup. It's 5 inches tall and 4 1/2 inches wide... that's a BIG cup.

UPDATE: I just added 2 more Mice things... A water bottle and a Baseball hat.. All Mickey stuff. And once again No increase in price.

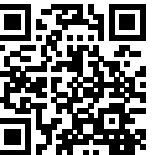

This is getting out of hand! I just added 3 more mice to the listing... A 2 feet tall and a 1 foot tall Minnie Mouse (They don't talk or dance or anything. Sorry) and a 6 page kids' book teaching about SHAPES... You know... squares, circles, triangles etc. Will someone please buy this thing... I'm getting tired of all these mice running around my house.

And tonight another one... A Minnie in a sailor suit. And once again No increase in price. 15 Mice for \$75.00.

And yet another... This time it's a Minnie in a Mousemobile. See the Mickey Muse emblem on the hubcap? the Grill is also made up of tiny Mouse emblems and the car has the Minnie Mouse Pokka Dots on the back. I just added it to the listing. No increase in price. \$75.00. Will someone please buy this thing... I'm getting tired of all these mice running around my house.

UPDATE: I just added 2 more Mice things... A water bottle and a Baseball hat.. All Mickey stuff. And once again No increase in price.
