Looking for women and men.

I scout for some of the largest Adult Modeling Agencies in the mid west.

Should be fit and at least 21! (You don't have to be super skinny, but can't be really fat) but we are mainly looking for average figures.

Send in some recent photos including some full length that show off your full figure.
Shoots pay from \$500-5000 depending on the shoot and model.

For more info please text us or email. You have nothing to loose to apply. Many models even get paid just for a test shoot! And best part is, you can try it out before anything ever goes online and can even start with just photos! 765 637 019 Eight

Must be able to send in some recent photos and be dependable at returning.
