Need an experienced deck contractor on several properties in Matteson area.

Must be talented in retrofitting existing deck installs to bring them up to code and/or be able to build steps around/over sinking concrete stairs (pictured).

Qualified candidates will be Insured liability/comp and be able to pull permits as needed. This is not show work, you might be tearing out a larger deck and putting in a simple 12x12 with or without rails or steps as needed by code. On tear outs must be able to remove debris.

Please include some photos and references of your work with your.
