

Looking for part time Carpenter (Shrewsbury)

Location

Missouri

<https://www.genclassifieds.com/x-380492-z>

We are an established, fast growing Home Renovation company looking for a Part-time Finish Carpenter who is skilled ALL FACETS of interior finish as well as rough carpentry. Weekly hours will vary. Hours are flexible, evenings and weekends o.k. Offering part-time to start with opportunity of full-time with salary and benefits within 6 months. Because these are renovation properties work will not always be streamlined therefore need someone to be able to work with change of plans and working with unexpected obstacles. Experienced skilled carpenters only!! Have been running into issues lately with unexperienced applicants lying onto the job just to waste their time and gas. Will relieve new hire immediately if found to not be skilled and experienced.

We pride ourselves on producing quality homes for our buyers....looking for employees/partners to share in same dedication and care in producing quality product.

Job Requirements:

• Skilled in all facets of interior trim work including custom build shelving, install 3 piece crown molding, build door jambs etc.

• Basic plumbing and electrical work.

• Some drywall work required

• Build deck

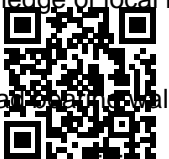

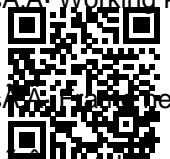

• Build and install stair railings.

• Working knowledge of local building codes

• Must have own tools; i.e. trim and framing nailers, chop saw, etc.

• Must have reliable truck

• Must provide 3 verifiable industry references
