

Found little black female cat with silver collar (Southside Indy)

Location **Indiana**
<https://www.genclassifieds.com/x-380522-z>

Found near Stop 10/Madison/Shelby Street, little pregnant female black cat with a silver shiny collar. Very sweet little momma, with 3 little babies born last night. I can't keep her, my house is full of too many pets and kids now! Please contact me if she is.
